POPE PIUS IX. AND THE ROMAN QUESTION.

The life of Pope Pius IX., according to our advices from Europe, has been for some time, a feeble, flickering light, which the first strong blast may extinguish. The demise of a Pope, and the subsequent "conclave" of the College of Cardinals for the election of a new Head of the Roman Catholic Church, have, at all times, been events of political importance. The rulers of the great Catholic nations, in particular, being aware of the vast influence which the voice of the Pope infallibly commands a mong Catholic nations, have always used the strongest efforts to secure the election of a man strongest efforts to secure the election of a man distributed and order from the commanding of some of the immates of the great Catholic nations, in particular, being aware of the vast influence which the voice of the Pope infallibly commands a mong Catholic nations, have always used the strongest efforts to secure the election of a man distributed and catholic character of the pope infallibly commands a mong Catholic nations, have always used the strongest efforts to secure the election of a man distributed and order from the commanding officer to serve the camp for the grit and return her to be roughly the found of the more than in monta. She ran account of his cricliv.

The vine of the great Catholic nations, in particular, being aware of the vast influence which the voice of the Pope infallibly commands and took the grit and return her to be a composite the policy of the particular of the policy of the whom they supposed to be friendly to their policy, and generally during the Papal inter- redation of United States troops to the heatal business regrum Rome has been the scene of the most of whipping women, incloses to Senator Wilson this active intrigues of France, Austria and Spain. monstrous order:
